

**BIG SUCCESS
IN 2018**

**AGAIN!
IN 2019**

Montessori Express 2020

**JOIN ON A ROADTRIP
TO SECONDARY MONTESSORI-SCHOOLS
IN GERMANY AND HOLLAND
FROM 6 – 10 MAY 2019**

What?

After a succesful roadtrip in April 2018 to several Dutch and German secondary Montessorischools, we'll organise this Roadtrip again in May 2019. Our focus is to make visible the different ways in which these schools are developing Montessori Education at secondary stage. By doing so, teachers (and interested pupils) from primary and secondary schools can learn from each other.

Why?

In recent years many teachers -from secondary and primary Montessori schools- expressed their interest for visits to existing secondary Montessori Schools. How do different schools implement the ideas of Maria Montessori at their school? Questions such as 'what are the spearheads', "the challenges" and 'the experiences" of the various schools? Also, how did they or can you start as a secondary Montessori school?

How?

You construct your own roadtrip for at least 1 day and at most 5 days. Every day we start at 8.00 hrs at Pantarijn Wageningen with the Montessori Express bus. We return in Wageningen between 17.00 and 18.00. We deliver you websites for Hotels, Short-stays and (air)-B&B-adresses in Wageningen to make your own arrangement. You pay for transport-costs and the organisation of the excursions € 30 pp per day (for the excursions to the Dutch schools) and € 40 (for the excursions to the German school).

The perspective:

In this way the Montessori Express brings teachers together who are stimulated to develop Montessori Education at the secondary stage. These visits and contacts will bring about connections between schools, that might result in different kinds of exchange with each other for the years to come. If there are pupils (from secondary schools plus their teachers!) interested to join this roadtrip, they can also apply.

any Montessori-school can hire the Montessori-Express at www.betuwe-express.nl

The program of the roadtrip:

Monday MAY 6: Metis Montessori Lyceum Amsterdam + MM-House
Tuesday MAY 7: Pantarijn Wageningen
Wednesday MAY 8: Montessori College Nijmegen
Thursday MAY 9: Leibniz Montessori Gymnasium Düsseldorf
Friday MAY 10: Jordan Montessori Lyceum Utrecht

How to register?

Interested teachers (and pupils) can register themselves [by filling in this form](#) before **Monday April 1st**. Participants will receive the confirmation of their participation. As soon as the payment is received, the participation is ensured. This will be confirmed by email.

Included in the price is:

- Transport from Wageningen to the Montessori Schools
- Lunch at the school
- Costs for administration and organisation

not included is:

- Hotel or B&B in Wageningen (list with hotels, B&B's etc will be sent).
- Breakfast and evening dinner (lunch will be provided at the schools)

We advise the participants for transport in Wageningen to rent a bike for the days that you participate. Do it the 'Dutch way'.

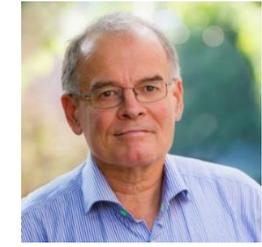

We hope that this roadtrip will bring together many interested Montessorians, be a stimulus in the further development of Montessori Education in the secondary stage and will stimulate our project Montessori Express 2020 with the aim to realize exchanges with teachers and adolescents in the years to come.
