

At the bilingual Montessori House of Kids near Zurich, Switzerland, we are looking for committed and established teachers with an early years certification (FaBe) or a degree in Education and, ideally, a Montessori 0-3 diploma recognized by AMS Switzerland.

## Montessori Teacher

German speaking 80 -100%

English speaking 80 -100%

You are team-oriented, committed, responsible, flexible, patient, and like to work with children aged 4 months to 3 years. We have a baby group called the Nido and a toddler group, the Toddler Community. You will work alongside another teacher with support of the level leader and consultant who both hold 0-3 AMI training.

Your strength is to take responsibility over the classroom. You can maintain contact with the parents, plan events, as well as coordinate activities around the daily life at the House of Kids.

At the House of Kids, we speak German and English, so basic knowledge in the other language is an advantage, but not a requirement.

Your work load would be 80-100% for work in the Toddler Community

Starting date: August 2019 or by arrangement
